

## 15 Expert tips to elevate the look of your *home*

- Paint your front door black
- Create an entry “moment”
- Use white linens for a clean, classic look
- Decorate with trays to organize and elevate small areas
- Neutralize paint colors for a cohesive, high-end feel
- Add amenities (beverage bar, coffee station, etc.)
- Organize every visible space
- If you have a fireplace, make it the focal point
- Choose large-scale art over small wall clutter
- Style bookshelves with symmetry and purpose
- Add plants and greenery for life and balance
- Keep the scent fresh and clean, never overpowering
- Follow the floor plan — don’t block flow with furniture
- Upgrade your lighting — use layers and warm tones
- Set the stage — use props like flowers, dishes, or games to tell the story of your home
